Notes:

1. Secondary school applicants - applicants who were registered during the academic year as full-time day students at an Ontario secondary school and received their Ontario Secondary School Diploma with either six Grade 12 U (university bound) or M (university or college bound) or Ontario Academic Credit (OAC) courses at the end of the current school year.

Other applicants - applicants from all the other sources, including applicants from other Canadian provinces, other countries, and Ontario residents who have not recently attended an Ontario secondary school.

2. Applications: each applicant was allowed to indicate an unlimited number of choices of universities and programs. Each choice was considered to be a distinct application.

3. Registered applicants: applicants who applied for first-year, full-time study and who were not previously registered at an Ontario university were designated "registered applicants" once they were admitted and registered. For more details, refer to *Application Statistics* published by COU.
